

Boulevards of TRAVEL

March 18, 2005

To Whom it may concern:

I have known Kitt Garrett for the past four years. I went to New York with a group of women from Orange County. The entire tour had been put together by Discover New York with Kitt Garrett. It was an amazing week of flawless activities, dinners and luncheons with fascinating speakers. Her attention to detail and orchestration were wonderful.

Kitt has such variety, imagination, and has the contacts to make the impossible happen. It was a totally wonderful experience!

I own a travel agency with 22 agents and a very sophisticated and seasoned clientele. Our clients are very pleased with the various services Kitt provides. We have complete confidence in Her personally and her ability to plan and execute the unusual for the discriminating traveler. Kitt truly excels when it comes to personalized private tours and sightseeing, or special venues never experienced before by the client, as well as transfers, dinner reservations and theater tickets. She even planned an entire day for a nanny and child with a private car and driver, while she had the parents off experiencing other wonderful and unique experiences.

All in all, I can assure you that Kitt Garrett has always done a superb job for me, both personally and professionally.

Sincerely,

Patricia Wright
